

FRONTLINE CLOSING STRATEGIES

FROM CALL TO CLOSING

Develop the mindset of your staff to treat every client interaction as an opportunity.

Frontline workers discover skills that lead to improved closing rates, increased gross revenue, and quicker cycle times.

Build relationships with your customers based on trust, honor, and clear communication.

60-minute online sessions over the course of 5 weeks

Program attendees display higher standards of performance and sharper skills in these areas:

- Proposal Presentation
- Capturing Opportunities
- Communication
- Building Trust
- Overcoming Objections
- Closing Rates
