

SUPERVISORY TRAINING PROGRAM

BUILD FROM WITHIN

Foundational management, coaching, and supervisory training for individuals new to overseeing other employees.

Develop supervisors and entry-level managers to understand and effectively use authority, communication, time management, and team building.

Improve job performance, customer satisfaction, turnover, and culture, while maximizing efforts that increase revenue.

90-minute online sessions every other week for six months

Program attendees display higher standards of performance and sharper skills in these areas:

- Managing Conflict
- Team Motivation
- Accountability
- Effective Discipline
- Building Trust
- Decision Making

365-Day Guarantee
